DETAILED ACTION

Allowable Subject Matter

Claims 2, 4, and 7-10 are allowed.

The following is an examiner's statement of reasons for allowance: claims 2 and 4 state the limitation "wherein the external terminal is constructed by a first metal layer made of Cu, a second metal layer formed on the first metal layer and made of stainless steel, and a third metal layer formed on the second metal layer and made of Ni alloy". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claim 7 states the limitation "wherein at least one metal layer of the joint body consists of the same kind of metal material of the battery case". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claim 8 states the limitation "wherein the joint body is constructed by a first metal layer made of Ni and a second metal layer made of Al". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
